

Project participation

Dr. Dennis Ulbrich

ONGOING PROJECTS

DFG 456849348

University of Münster, Department of Mathematics, Institute for Analysis and Numerics

2021 – 2025

- Title: Modeling and mathematical description of concrete physical applications in the context of kinetic theory using the Boltzmann-Gross-Krook equation ([more details](#))
- Participation since 6.2023

PAST PROJECTS

DFG 384027439

University of Bremen, Department of Mathematics

2017 – 2021

- Title: Ergodic theory of nonlinear waves in discrete and continuous excitable media ([more details](#))
- Participation 2017 -2021
